This presentation is being provided by arcsa capital, arcsa services protection (the “company”) on a confidential basis to select qualified institutional buyers and accredited investors as such terms are defined in the U.S. Federal securities laws. By accepting delivery of this presentation, the recipient agrees it will hold the information herein in strict confidence, will not reproduce or disclose such information to any third party in whole or in part, and will use such information only in accordance with its compliance policies, contractual obligations and applicable laws, including federal and state securities laws. Certain information set forth in this presentation contains “forward-looking information”, including “future oriented financial information” and “financial outlook”, under applicable securities laws (collectively referred to herein as forward-looking statements). Such forward-looking statements include, but are not limited to, statements that are not purely historical and statements regarding the company’s expectations, hopes, beliefs, intentions or strategies regarding the future and their potential effects on the company. In addition, statements that refer to projections, forecasts or other characterizations of future events or circumstances, and the assumptions underlying such statements, are forward-looking statements. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “intends,” “may,” “might,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “would” and similar expressions may identify forwardlooking statements, but the absence of these words does not mean that a statement is not forward-looking. These forward-looking statements are provided to allow potential investors the opportunity to understand management’s beliefs and opinions in respect of the future so that they may use such beliefs and opinions as one factor in evaluating an investment. These statements are not guarantees of future performance and undue reliance should not be placed on them. Such forward-looking statements necessarily involve known and unknown risks and uncertainties, which may cause actual performance and financial results in future periods to differ materially from any projections of future performance or result expressed or implied by such forward-looking statements.

Although forward-looking statements contained in this presentation are based upon what management of the company believes are reasonable assumptions, there can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. The company undertakes no obligation to update forward-looking statements if circumstances or management’s estimates or opinions should change except as required by applicable securities laws. The reader is cautioned not to place undue reliance on forward-looking statements. The company obtained the information in this presentation from internal estimates and research, industry publications and research, surveys and studies conducted by third parties. The company believes its estimates to be accurate as of the date of this presentation. However, information herein may prove to be inaccurate because of the method by which the company obtained such information or because the information cannot be verified due to limits on the availability and reliability of raw data or the voluntary nature of certain data gathering processes used in the development of such information. This presentation does not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any offer or sale of the company’s securities in any state or jurisdiction in which such offer or sale would be unlawful prior to registration or qualification under the securities laws of such state or jurisdiction.
